# Creative Process Flow Chart

**Ideas**

Ideas independent of what is possible

Clear future result

**THERE**

Tension seeks resolution

*Tension, motivation, or energy forms from what you want and what you now have*

Tension

Objective report about reality

**HERE**

Orchestrate little steps to focus energy and increase the probability of success

A series of secondary choices

**Act**

**PATH**

**Learn**

**Learning**

**Adjust**

...supporting what you want

Each adjustment is learning that can build momentum

Know when you are done!

**Finish**

**New Ideas**

Living with your creation
